

GAHANNA LACROSSE INC.

Registered 501(c)3 Non-Profit

Proudly promoting and serving the sport of Lacrosse in Gahanna since 2004.

Dear Gahanna Community Business,

Gahanna Lincoln High School is proud to announce our 2010 Varsity Lacrosse Schedule. We are reaching out to partners from the community to assist our efforts to raise awareness and drive attendance to our home contests.

We are seeking your participation by presenting an offer tailored to your specific business at the gate for one or all of our home games with each paid admission. This value added offer will drive incremental foot traffic and profitable sales to your location by presenting coupons for free or discounted goods from your location. We will cement your participation by acknowledging your support of the Varsity Lacrosse Program by announcing our partnership at the beginning of the game, at periodic breaks in the action throughout the game, and conclude the evening with a request to patronize your business following the conclusion of the contest.

Example: Jerry's Mexican Grille Presents Gahanna Lincoln vs. The Wellington School on 4/16 – The first 200 guests will receive a voucher for a free burrito with the purchase of a second burrito of equal or greater value.

We are also offering additional opportunities to gain exposure within the community through your sponsorship of specific PA announcements during our games. You have the opportunity to attach your company to time-outs and penalties in exchange for a small donation to our organization. You can purchase single game or entire season sponsorships, starting as low as \$50.00 per game, or \$300.00 for the entire season (11 home games in 2010).

Below is a list of our 2010 home contests:

Varsity Schedule			
Date	Opponent	Time	Site
